

Private Swim Lesson Q & A

1. **Who can register?**

Anyone starting at the age of three & up.

2. **What qualifies someone to take private lessons?**

Some participants are able to benefit more from a one-on-one experience; it lets them focus on their skills going at their own pace.

3. **How do I register for private lessons?**

Fill out an application. Without filling out an application you CAN NOT register. It is necessary for the process so that Aquatics Staff can meet your every need and fit you with an adequate Swim Instructor. Return the application to the Aquatics Coordinator.

4. **Where can I get an application?**

You can get an application from the Membership Desk or print one off of www.bcfymca.org.

5. **After I fill out an application where can I take it?**

You can take your application straight to the Membership Desk to turn it into our Aquatics Coordinator, or email it to mgonzalez@bcfymca.org. The Aquatics Center will review your application and call you to schedule an appropriate time to start your private lessons!

6. **What do I do next?**

Once you have received the information from the Aquatics Coordinator, you may pay for your lessons at the Membership Desk.

7. **How many private lessons can I schedule?**

The flexibility of private lessons is what makes them so desirable. You have seven half-hour private swim lessons to schedule with your private lesson instructor. Near the end of the seven lessons, your instructor will assist you in how to register for additional lessons.

8. **What is the cost of private lessons?**

Private lessons cost \$147 for members and \$220 for non-members.

9. **Do I get to choose my own instructor?**

On our application, there is a spot for you to request a private swim lesson instructor. We will do our best to accommodate those requests, however, not all of our swim lesson instructors will be teaching privately.
