THE Y: WE'RE MORE THAN A GYM... WE'RE A Y KIDS ACADEMY!

Whether you are looking to get a head start on your child's education, get them ready for Kindergarten, or supplement what they are learning in a current preschool or Kindergarten classroom, Y Kids Academy is the place to be! In this class, your child will learn through play and a variety of educational experiences in line with the PA Standards. Your child will engage in self-guided and teacher guided exploration, both small group and large group lessons with a Christian emphasis. The curriculum will focus on the development of pre-reading, literacy and language skills, math, science, fine and gross motor skills, music, art, and social skills.

Register your child to be a Y Kid with one of these great class options!
