AQUATICS-Michelle Gonzalez, Aquatics Coordinator, 724.452.9122 x218 or mgonzalez@bcfymca.org

GROUP SWIM LESSONS: Each level is split into Preschool (*ages 3-5*) and School-Age (*ages 6+*) classes.

SWIM STARTERS: Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

• A/ WATER DISCOVERY:

Parents accompany children in stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

• B/ WATER EXPLORATION:

In stage B, parents work with their children to explore body positions, floating blowing bubbles, and fundamental safety and aquatic skills.

SWIM BASICS: Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills:

1.) Swim, float, swim— sequencing front glide, roll, back float, roll, front glide, and exit. 2.) Jump, push, turn, grab

• 1/ WATER ACCLIMATION:

Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.

• 2/ WATER MOVEMENT:

In stage 2, students focus on body position and control, directional change, and forward movement in the water while also continuing to practice how to safely exit in the event of falling into a body of water.

• 3/ WATER STAMINA:

In stage 3, students learn how to swim to safety from a longer distance than in previous stages in the event of falling into a body of water. This stage also introduces rhythmic breathing and integrated arm and leg action.

SWIM STROKES: Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being, and foster a lifetime of physical activity.

• 4/ STROKE INTRODUCTION:

Students in stage 4 develop stroke technique in front crawl and back crawl and learn the breaststroke kick and butterfly kick. Water safety is reinforced through treading water and elementary backstroke.

• 5/ STROKE DEVELOPMENT:

Students in stage 5 work on stroke technique and learn all major competitive strokes. The emphasis on water safety continues through treading water and sidestroke.

• 6/ STROKE MECHANICS:

In stage 6, students refine stroke technique on all major competitive strokes, learn about competitive swimming, and discover how to incorporate swimming into a healthy lifestyle.

PRIVATE SWIM LESSONS: (*ages 3+ yrs*) Benefits of private lessons include: Ability to focus better working one-on-one, individual guidance to perfect your stroke technique and convenience of scheduling with your own instructor. Registration: An application is required before registration. Please find the application at the Member Service Desk or the link above and return to the Aquatics Coordinator. After application is received you will be contacted by the Aquatics Department.

RES RIPTIDE (SWIM TEAM)

Age Groups: (*some experience preferred.*)

- **NOVICE:** (*Up to 8 yrs*) This is our entry level group. Instruction includes learning the basics of all 4 strokes: Freestyle, backstroke, breaststroke and butterfly. Novice events are 25s and 50s.
- **CADET:** (*9-10 yrs*) Cadet races 50s and 100s, including some 200s. This is the most important age for swimmers to learn a strong foundation of technique and swimming knowledge.
- **PREP:** (*11-12 yrs*) The prep class swims 50s and 100s and some select 200s. Prep swimmers will start to grow their yardage base on top of continuing focus on technique.
- **JUNIOR:** (*13-14 yrs*) Juniors have the opportunity to swim 100s and 200s of strokes, along with the 400 IM and 500 free. This is an exciting age group for swimmers making the transition from middle to high school while they broaden their swimming knowledge and speed.
- **SENIOR:** (*15-18 yrs*) Seniors swim all standard events. The senior group will be working on and refining their technique along with cutting edge workouts.

IMPORTANT DATES: • Winter Session begins Tuesday, October 3, 2017. Practices are weekdays, 6:00PM-8:00PM. • Swimmers expected to attend all meets and championship meet.

REGISTRATION INFORMATION: • Must be an active member of the Rose E. Schneider Family YMCA. • \$350 for 1st swimmer; \$325 for each additional swimmer within the same family.
