YOUTH AND FAMILY CENTER 6 & 7 YEAR OLD POLICY

Beginning 2/5/2018, we are excited to offer specific, supervised times for 6 & 7 year olds to be signed in to the Youth and Family Center, as an alternative to KidQuarium.

What does supervised mean?

This provides a Facility Monitor to limit the coming and going of our 6 & 7 year old members while they are signed in, since they are not permitted in the facility alone until the age of 8. Our Youth and Family Center will remain open to our members and their families; therefore, anyone not signed in may come and go throughout the day.

Is there a cost?

There is no fee for children ages 6 & 7 years old to be supervised in the Youth and Family Center. However, if you choose to use KidQuarium, the \$2 fee still applies.

How do I sign my child in?

First, you and your child must check in at the Membership Desk and ask for a blue band to identify that your child is 6 or 7 years old. Then, you will sign your child in with the Youth and Family Monitor. It will be similar to our KidQuarium check in process.

How long can my child remain in Youth and Family Center?

We are still limiting children to be left for only two (2) hours.

Who can pick up my child from the Youth and Family Center?

The adult that drops off (signs in) the child in the Youth and Family Center is the one responsible for picking up and signing out the child, unless the adult notifies the monitor.

Can my child eat in the Youth and Family Center?

We do allow food in the Youth and Family Center; please be advised this is not a restrictive food space (in regards to food allergies). Children will be responsible for cleaning up any mess that is made while eating.

Can my child bring their electronics?

Your child may bring their electronics into the Youth and Family Center, however the YMCA does not assume responsibility for any lost, stolen or damaged items.
