SWIM STARTERS: Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

A/ WATER DISCOVERY: Parents accompany children in stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

B/ WATER EXPLORATION: Parents work with their children to explore body positions, floating blowing bubbles, and fundamental safety and aquatic skills.

SWIM BASICS: Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills: 1.) Swim, float, swim— sequencing front glide, roll, back float, roll, front glide, and exit. 2.) Jump, push, turn, grab

1/ WATER ACCLIMATION: Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.

2/ WATER MOVEMENT: Students focus on body position and control, directional change, and forward movement in the water while also continuing to practice how to safely exit in the event of falling into a body of water.

3/ WATER STAMINA: Students learn how to swim to safety from a longer distance than in previous stages in the event of falling into a body of water. This stage also introduces rhythmic breathing and integrated arm and leg action.

PRIVATE SWIM LESSONS 7 lessons (schedule with Instructor) \$161 Member / \$250 Non-Member

(3+ years old) Benefits include: Ability to focus better working one-on-one, individual guidance to perfect your stroke technique and convenience of scheduling with your own instructor. Registration: An application is required before registration. Please find the application at the Member Service Desk and return. After application is received, you will be contacted by the Aquatics Department.
